Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. A darkness is falling across the galaxy,a fear of an unknown terror rising. With allied forces in a full desperate retreat across the remains of Zaxon B, the Red Leopards move forward in an attempt to redress the balance. With the protective orbiting space station already under attack, the last opportunity for escape has now passed.the stranded forces on the planet are alone. All across the surrounding galaxies, the Trevakian Empire is crumbling under the seemingly endless swarms of Morgon armoured soldiers and their allies. Earth stands weakened, a powerful enemy banished for the time being,perhaps presenting an opportunity to rearm and consolidate. In space above, a small number of Trevakian ships attempt to form a defensive line, unaware that the greatest danger may already be on the planet below. Earth's residents innocently unaware of the threat posed against them.a cunning and vicious race that seems to consider taking prisoners a sign of weakness. Time is running out.no one knows the true evil and intent that is about to be unleashed. One fact is for certain, the motto of the Trevakian marines is now more than simply a motivational slogan.it is becoming clear that it may have considerable relevance to the fate of mankind. 'Your time is now!' Three of the authors' books set in World War 2 have achieved best seller status in the United Kingdom, the adventures are perhaps just beginning. The author aims to provide a thoroughly enjoyable reading experience at an affordable price for the reader. Imagination is personal, free and to be cherished.
